Register via the Campus Connection unless otherwise noted.

NOTE: Distance and Continuing Ed courses count toward credit totals but are not covered under the NDSU tuition cap and are not eligible for waivers. Students will be charged for each DCE credit over the full-time credit load (12-fall/spring, 9-summer). If enrolled in fewer credits than full-time, students would be charged per credit, as with regular courses. Students should review tuition account balances online via Campus Connection to avoid any confusion about amounts owed. *National Guard members may be eligible for a 25 percent waiver.*

TUITION/FEES: Regular resident tuition/fee rates apply unless specifically noted.
