 North Tahoe Conference Center, Kings Beach, CA, U.S.A.
 Theme: *Beyond Borders – Forest Tree Rusts from a Global Perspective*

REGISTRATION FORM

Full Name:			
Organization:			
Mailing address:			
Email:			
Telephone no.:		Fax no.:	

Early registration (by 31 May):	US\$220	Late Registration (after 31 May):	US\$260
------------------------------------	----------------	--------------------------------------	----------------

•Make checks payable to “IUFRO Rust Conference”, and send with this completed form to James Walla, Plant Pathology Department, North Dakota State University, 306 Walster Hall, Fargo, ND 58105-5012 U.S.A. If payment by check is unduly difficult, please contact Dr. Walla by email, j.walla@ndsu.edu.

- *Full registration fee includes: conference information packet; refreshments during conference breaks; ice-breaker dinner (9 July); all-day field trip, refreshments, and evening banquet at the Institute of Forest Genetics, Placerville (12 July).
- *Accommodation costs and meals outside of conference hours are **not** included. See list of local hotels, motels, and condominiums provided.
- *Costs for spouses or guests who wish to attend the ice-breaker dinner on 9 July and/or the field trip and banquet on 12 July may be added to the costs for full registrants in the table below.

Cost calculations for Conference attendees, spouses, and guests:

Item	Cost/person	No. of persons	Total cost
	A	B	A x B
Full registration	\$220.00		
Ice-breaker dinner (9 July)	\$35.00		
Field trip and banquet (12 July)	\$70.00		
Grand Total (please send full payment with this form):

Abstract (maximum 250 words):

IUFRO Unit 7.02.05
Third Rusts of Forest Trees Conference
 9-13 July 2006
 North Tahoe Conference Center, Kings Beach, CA, U.S.A.
 Theme: *Beyond Borders – Forest Tree Rusts from a Global Perspective*

POST-CONFERENCE FIELD TRIP QUESTIONNAIRE

Full Name:	
Organization:	
Email:	

Are you interested in a Post-Conference Field Trip as described below?

	Yes, I am interested and will participate if the trip is arranged.
	Yes, I am interested, but am unsure as to whether I will participate.

- The conference announcement included the possibility of a post-conference field trip in Northern California during 14-18 July 2006, including overnight stays in Yreka, Mt. Shasta City, Chester, and Quincy, CA, with visits to the Happy Camp Outplant Site (rust-resistant white pine testing and evaluation), Mt. Shasta, McCloud Flats, Lassen National Park, and the Plumas and Tahoe National Forests.
- Further planning of the post-conference tour depends upon sufficient interest by at least 8-10 people, so please do not delay responding if you wish to participate.
- Costs for lodging will average approximately US\$55-70 per day per participant. Food costs will be each individual’s responsibility. Costs for transportation are being negotiated. If you are interested and likely to participate during the days scheduled, please respond affirmatively below. If you have tour suggestions that are not covered here, please add them to the comments section at the bottom.

- Send completed questionnaire as an email attachment to dvogler@fs.fed.us. If this is not feasible, you may mail it to Detlev Vogler at the Institute of Forest Genetics, 2480 Carson Road, Placerville, CA 95667-5107, or fax it to 530-622-2633.**
- If you have questions about this option, either email Detlev Vogler at dvogler@fs.fed.us, or call him at 530-621-6881.**
- NOTE:** Please do *not* complete this questionnaire if you are not interested in participating in a post-conference field trip.
