

**North Dakota Forest Service
Cooperative Fire Protection Assistance
Grants Program**

**Federal Excess Personal Property (FEPP) Program
NEEDS REQUEST**

3/06

The North Dakota Forest Service has authority through the USDA Forest Service to acquire federal excess property to loan to rural fire departments for upgrading fire protection capabilities. Examples of equipment available include pickups, trucks, equipment vans, personnel carriers, turnout gear, generators, radios and air packs. There is no charge for this equipment. The fire department must maintain, insure and exercise proper use of the equipment. **THIS EQUIPMENT IS AVAILABLE FOR FIRE PROTECTION PURPOSES ONLY.**

This form will help the North Dakota Forest Service determine rural fire department needs during our screening of excess federal property.

Please place an "X" under the 'Department Need' column in all the categories that apply. **Please limit your needs request to one (1) or two (2) priority items.** Use the Notes column to provide more detailed information you feel may be necessary.

Fire Department Name: _____

Contact and Phone Number: _____

Equipment		Department Need	Notes
Pick-ups	4 X 4		
	Crew Cab		
Trucks			
Equipment Van			
Suburban (or equivalent)	2 X 4		
	4 X 4		
Generator			
Air Packs
