

**College of Pharmacy, Nursing, and Allied Sciences
North Dakota State University
2007-2008 Scholarship Recipient Responsibilities**

Earning a scholarship in the College of Pharmacy, Nursing, and Allied Sciences is an important accomplishment and an honor. This honor comes with expectations from both the College and the person or fund that provides the scholarship.

Distribution of scholarship funds is dependent on fulfilling the following obligations:

- **Attend the Recognition Program**
Thursday, September 20
3:00 -5:00 PM
Fargodome, upper level

- **Attend the scholarship informational meeting**
2:00 PM - prior to the Recognition Program
Thursday, September 20
Fargodome, Scholarship Recognition Program Room

- **Send a thank you letter to the sponsor** (The contact person and address are in the award notification letter you will receive by e-mail)

- **Provide a copy of the sponsor thank you letter to the College, Cynthia Hanson, Sudro 129.**

What you need to know when interacting with a sponsor...

College of Pharmacy, Nursing, and Allied Sciences scholarship dollars are provided through the generosity of private and corporate donors. By showing your appreciation of their contribution and efforts in attending the program, you help us enhance relationships that will benefit students in the future. Sponsors who attend the program and receive thank you letters usually enjoy getting acquainted with the student they are aiding. Please be prepared to discuss your career goals, classes and background as is comfortable with the sponsor. You may also wish to ask about the sponsor's background, what they were involved in during their educational process and why they chose their particular career path. Appropriately thanking a sponsor and personally acknowledging their presence at the Recognition Program reflects positively on you, the College, and NDSU.
